

About Us!

African Union Club, is a club underneath the youth arm of the African Union, which helps to promote the goals, values and ideas of the African Union and her youths to the rest of the world. AU Club currently runs in about 50 chapters across different African Countries and Institutions, transferring skills to African youths to make them globally competitive. Here in Nigeria, AU Club runs through the Pan African University Life and Earth Sciences Institute (Including Health and Agriculture), domiciled at the University of Ibadan, with community of students from various African countries.
